(1) The Office of Cannabis Regulation is providing this aggregated data for public informational purposes only and is subject to ongoing correction. Any analyses or policy recommendations which utilize data contained herein by third-parties do not represent the views of the Department of Business Regulation.

(2) Note that prior to July 2021, reported patient counts from RIDOH to OCR were intermittent and result in incomplete data for the period January 2020-June 2021.

\*\* On December 1, 2022 Rhode Island began the sale of cannabis to adult-use consumers and launched Metrc, our seed-to-sale tracking software. Due to the implementation of the new system data displayed maybe incomplete. As transactions begin to exclusively take place in this system, data will become more complete and accurate over time.
