

# Cannabis-Infused Ingestible Packaging Requirements

## Packaging Must:

- Fully enclose the product;
- Not display fluorescent or neon colors;
- Be tamper evident;
- Be Certified as Child-Resistant in accordance with the Poison Prevention Packaging Act of 1970, 16 C.F.R. Part 1700;
- Be Resealable in a Child-Resistant manner.

## Confirm the Packaging:

- Protects the product from contamination;
- Does not impart any toxic or deleterious substance to the product;
- Does not contain any design, image, label or coloring that is prohibited by the Regulation.

## Exit Package:

1. Except for retail-ready cannabis-infused products, upon Commission approval, any other retail-ready cannabis product placed into a container that is not child-resistant shall be placed into a child-resistant exit package at the point of sale.
2. The exit package is not required to be labeled pursuant to 560-RICR-10-10-2.7 if the package(s) within the exit package containing the retail-ready cannabis product comply with all packaging and labeling requirements

# Cannabis Infused Ingestible Package Labeling Requirements

## Font Requirements for Required Information:

- No smaller than size 6 font;
- Permitted Font Types: Times New Roman, Calibri, Arial, Helvetica;
- Legible;
- Clearly written or printed in the English language.

## **Required Information on the package:**

1. The business(es) or tradename(s) and license number(s) of the cannabis establishment(s) who manufactured and/or produced the product;
2. The business or tradename and license number of the cannabis establishment selling the product;
3. Unique Identifier generated by the cannabis seed-to-sale tracking system;
4. Cannabinoid Profile: **Delta-9-THC, THCa, CBD, CBDa, Delta-8**, and any other advertised cannabinoid;
  - A. Must be stated **per serving unit** and **per package in mg**, and in a font larger than size 6, **bolded and underlined** so as to stand from surrounding text to the consumer;
  - B. Per Single Serving (**Adult Use shall not exceed 10mg total potential THC**);
  - C. Per Package (**Adult Use shall not exceed 100mg total potential THC**).
5. Universal Symbol;
6. Manufacturing Batch Creation Date;
7. Product Identity Type;
8. American Association of Poison Control Center (800) 222-1222;
9. If not fully homogenized, identification of what portion of the product contains cannabinoids;
10. The serving size;
11. The number of servings per package;
12. All Required Warnings.

## **Required Information that must be on the Package *or on an Insert, stated in a Peel-Back Accordion, Expandable or Extendable Label* style so long as the label can be easily identified by a consumer as containing important information, or *may be contained by a Commission-approved QR-code*:**

1. Net weight or volume of the cannabis product prior to its placement in a package;
2. Whether the product has been remediated and the remediation method used, if applicable, may be included;
3. If applicable, the processing technique or solvent(s) used to produce the product (i.e. CO<sub>2</sub>, ethanol, hydrocarbon, etc.);
4. If applicable, a list of all chemicals, diluents, additives, ingredients and/or excipients used to produce the product or that were added to product;
5. A list of all ingredients used to manufacture the cannabis infused product, including identification of any major allergens contained in the product in accordance with the Food Allergen Labeling and Consumer Protection Act of 2004, 21 U.S.C. § 343 (2010), specifically milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat and soybeans;
6. A nutritional fact panel in accordance to C.F.R. Title 21 Part 101;
7. A statement that “the cannabis in the product has been tested by a regulated cannabis testing facility and has passed all required compliance tests” (in accordance with RIDOH Testing Regulations, 216-RICR-60-05-6.)

All required information must be unobstructed and conspicuous.

### Universal Symbol

Pursuant to 560-RICR-10-10-2.7.2(E)(5), a Commission-selected universal warning symbol must appear on the front or most prominently displayed area of the package, **no smaller than one (1) inch by one (1) inch.**

# Cannabis-Infused Ingestible Package Warning Label Requirements

## Labeling the Container(s)

### Immediate Small Container Requirements:

“Immediate container” means the container or other form of packaging in contact with the cannabis product. If the immediate container holding the cannabis product is too small to fit all the required label information, a licensee may put **at a minimum** the following information on a label that is securely affixed to the small container:

1. Universal Symbol;
2. Cannabinoid Profile: **Delta-9-THC**, **THCa**, **CBD**, **CBDa**, **Delta-8**, and any other advertised cannabinoid;
3. Tradename of producer of the product;
4. Product Identity (i.e. RSO, Metered Dose Inhaler, etc.)
5. “Warning: This product contains cannabis. Store securely locked away from children.”

### Secondary Container Requirements:

“Secondary container” or “outer packaging” means the form of packaging in which an immediate container is placed. The immediate small container must be placed into a secondary container that is labeled with the below information:

1. The business(es) or tradename(s) and license number(s) of the cannabis establishment(s) who manufactured and/or produced the product;
2. The business or tradename and license number of the cannabis establishment selling the product;
3. The unique identifier generated by the cannabis seed-to-sale tracking system;
4. Cannabinoid Profile: **Delta-9-THC**, **THCa**, **CBD**, **CBDa**, **Delta-8**, and any other advertised cannabinoid;
5. Universal Symbol;
6. Manufacturing Batch Creation Date;
7. Product Identity (i.e. RSO, Metered Dose Inhaler, etc.);
8. American Association of Poison Control Center (800) 222-1222;
9. Net weight of cannabis product prior to placement in packaging;
10. All Required Warnings.

\* Additional Required Information is still required to be on package or on an insert, a peel-back, or QR Code. See page 2—Cannabis-Infused Ingestible Packaging Labeling Requirement regarding the required additional processing and manufacturing information.

## Warnings on Retail-Ready Cannabis Products

### Font Requirements for Warning Labels:

- Be in the English language;
- Be in Times New Roman, Calibri, Arial, Helvetica or any other font that can be easily read;
- Be in text no smaller than size 8 font and in bold;
- Not be covered or obscured;
- Be displayed in a bright yellow box as to stand out from other labeling requirements;

Warnings may be stated in a peel-back accordion, expandable, or extendable style so long as the label can be easily identified by a consumer as containing important information as follows:

1. The exposed portion of the peel-back label must clearly indicate that it contains a warning.
2. The exposed portion of the peel-back label must be displayed in the bright yellow box; and
3. The exposed portion of the peel-back label must comply with all other requirements stated above.

Warnings must be displayed on all retail-ready cannabis products, preceded either collectively or individually by the term “Warning.”

### These Required Warnings Must Be On the Package:

1. “This product contains cannabis. Store securely locked away from children.”
2. “It is unlawful to transport this product outside of Rhode Island.”
3. “Cannabis use may impair your ability to operate a motor vehicle or machinery.”
4. “Consumption while pregnant or breastfeeding may be harmful.”
5. For all cannabis-infused products, it must state in slightly larger or bold font as to stand out from surrounding text, with priority placement:
  - A. “Effects of this product may be delayed.”

**Warning: This product contains cannabis. Store securely locked away from children. It is unlawful to transport this product outside of Rhode Island. Cannabis use may impair your ability to operate a motor vehicle or machinery. Consumption while pregnant or breastfeeding may be harmful. Effects of this product may be delayed.**

## Compliance Check List

Ensure Logos and Graphics Do Not:	
Depict animal characters	<input type="checkbox"/>
Depict toys	<input type="checkbox"/>
Use cartoon characters or similar images	<input type="checkbox"/>
Resemble a branded product's logo, such as Reese's or Coca Cola	<input type="checkbox"/>
Include images of children or minors	<input type="checkbox"/>
Include images of or any person using or consuming the product	<input type="checkbox"/>
Include words, a design or brand that resembles a product that is commonly associated with children or minors or marketed to children or minors	<input type="checkbox"/>
Include symbols or celebrities that are commonly used to market products to minors	<input type="checkbox"/>
Include the word or make any reference to "candy" or "candies"	<input type="checkbox"/>
Include any false or misleading statements, including any statements regarding curative or unproven therapeutic effects to the consumer	<input type="checkbox"/>
Include any seal, flag, crest, coat of arms, or other insignia that could reasonably mislead any reasonably prudent person to believe that the product has been endorsed or manufactured by the State of Rhode Island or any agency or municipality thereof	<input type="checkbox"/>
Cause a reasonable consumer confusion as to whether the cannabis product is a trademarked product	<input type="checkbox"/>
Violate any state or federal trademark law or regulation	<input type="checkbox"/>

### Examples of prohibitions include, but are not limited to the following:

*Animal characters, toys, cartoon characters, and images of children*

*Crest that looks like product is from a state agency*

*Curative claims or unproven therapeutic effects*

*Brand/symbol used to market to minors*
