

Cannabis Advisory Board

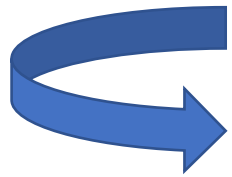

Organization and Process for questions from the Cannabis Control Commission to the Cannabis Advisory Board

**RHODE
ISLAND**

Process:

How the CCC will seek input from the CAB

The CCC will deliver specific questions to the CAB and/or CAB subcommittees for feedback on specific topics

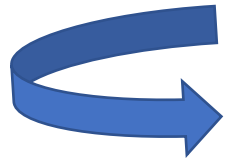

CAB subcommittee will receive a presentation from CCC staff on the topic to provide necessary background, key principles, best practices (if any) from other states, and other data to assist with answering the question.

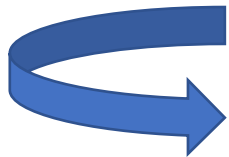

- Materials will be distributed in advance of presentation for subcommittee's review

Process:

How the CCC will seek input from the CAB

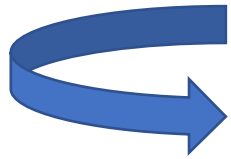

CAB subcommittee will then discuss considerations and decide on high-level principles to share with the CCC as recommendations (and vote, if necessary)

CAB subcommittee chair will share update with the full CAB at the following meeting

Process:

How the CCC will seek input from the CAB

CAB Chair or subcommittee chair will attend future CCC meeting to share CAB recommendations and feedback on the assigned question/topic
